

HaloScripts

Patient Engagement Case Study

April 2020 - March 2022

Two Year Study Period

Pre-Implementation Period:

“Before HaloScrips”

April 2020 – March 2021

Post-Implementation Period:

“After HaloScrips”

April 2021 – March 2022

VS.

Financial Measurements

PBM Contract Price: Brands AWP-20% & Generics AWP-80%

Actual Acquisition Cost (AAC): The true acquisition cost of the brand or generic

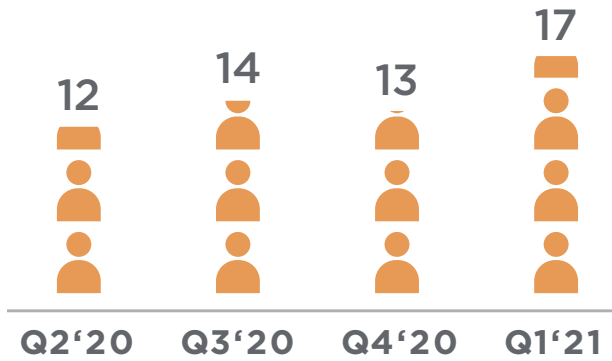

Savings Fee = Percentage of Gross Savings

Savings = PBM Contract Price – (AAC + Savings Fee)

*All reported savings are net of fees.
